

Aviat Networks added to membership of US small-cap Russell 2000® Index

June 28, 2021

AUSTIN, Texas, June 28, 2021 /PRNewswire/ -- Aviat Networks, Inc. (NASDAQ: AVNW); was added as a member of the US small-cap Russell 2000® Index, effective after the US market opens on June 28, as part of the 2021 Russell indexes reconstitution. Membership in the Russell 2000® Index, which remains in place for one year, is based on membership in the broad-market Russell 3000® Index. The stock also was automatically added to the appropriate growth and value indexes.

"We are pleased to be included in the Russell 2000® Index and Aviat welcomes the increased exposure as we continue to execute our strategic and financial plan," said Keith Fanneron, Aviat Networks VP Global Finance and Investor Relations. "Inclusion in this index benefits our Company and shareholders by elevating our visibility."

Russell indexes are widely used by investment managers and institutional investors for index funds and as benchmarks for active investment strategies. Approximately \$10.6 trillion in assets are benchmarked against Russell's US indexes. Russell indexes are part of FTSE Russell, a leading global index provider.
