**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On November 19, 2009, at the Annual Meeting of Stockholders (the “Annual Meeting”) of Harris Stratex Networks, Inc. (the “Company”), the Company’s stockholders approved the amendment and restatement of the Company’s 2007 Stock Equity Plan (the “Amended 2007 Plan”), which was approved by the Company’s Board of Directors (the “Board”) on September 14, 2009, subject to stockholder approval. Like the original 2007 Stock Equity Plan, the Amended 2007 Plan provides for the grant of incentive and nonstatutory stock options, stock appreciation rights, restricted stock, restricted stock units, performance units and stock grant awards to employees, officers, consultants and directors of the Company and its affiliates. The Amended 2007 Plan increases the maximum number of shares of common stock that may be granted under the plan by 5,400,000 from 5,000,000 to 10,400,000. Also, the Amended 2007 Plan now provides that each share subject to a stock option grant or a stock-settled stock appreciation right shall be counted as one share and any grant of any other award denominated and settled in shares, such as restricted stock, restricted stock units or performance units, will be counted as 1.31 shares against the maximum number of shares reserved under the Amended 2007 Plan.

A brief description of the terms and conditions of the Amended 2007 Plan is set forth in the Company’s definitive proxy statement on Schedule 14A filed with the Securities and Exchange Commission on October 7, 2009 (File No. 001-33278) (the “2009 Proxy Statement”) under the heading “Proposal No. 4 — Approval of the Amended and Restated 2007 Stock Equity Plan,” and such description is incorporated herein by reference. This description of the Amended 2007 Plan is qualified in its entirety by reference to a copy of the Amended 2007 Plan that is attached as Appendix B to the 2009 Proxy Statement and is incorporated herein by reference.

**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year**

Amended and Restated Certificate of Incorporation

At the Annual Meeting, the Company’s stockholders approved the Amended and Restated Certificate of Incorporation of the Company, which previously had been approved by the Board on September 1, 2009, subject to stockholder approval. On November 19, 2009, the Company filed the Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware. A copy of the Amended and Restated Certificate of Incorporation is filed herewith as Exhibit 3.1 and is incorporated herein by reference.

Amended and Restated Bylaws

On November 19, 2009, the Board, upon the recommendation of the Company’s Governance and Nominating Committee, approved amendments to the Company’s Amended and Restated Bylaws, effective as of such date. A summary of material changes is set forth below. In addition to the changes set forth below, and in connection with the Company’s Amended and Restated Certificate of Incorporation described above, the Amended and Restated Bylaws have been updated to eliminate references to “Class B Directors” and to refer to “Class A Directors” without class designation. The following is a summary of the amendments:

- Article II, Section 2 was amended to specify that the date and time of the annual meeting of the Company’s stockholders shall be designated by the Board.
  - Article II, Section 5 was amended to provide that special meetings of stockholders may be called only by the president or secretary of the Company at the request in writing of a majority of the Board.
  - Article II, Section 8 was amended to allow the chairman of any meeting of the stockholders, whether or not a quorum is present, to adjourn such meeting, without notice, except as otherwise provided by law.
  - Article II, Section 13 was amended to clarify that only stockholders of record may submit proposals for consideration at the annual meeting of stockholders. The section was also amended to require additional information, covenants and representations from stockholders submitting such proposals.
  - Article II, Section 14 was amended to clarify that only stockholders of record may submit nominations for the election of directors at meetings of the stockholders. The section was also amended to require additional information, covenants and representations from stockholders submitting such nominations.
-

## Table of Contents

- Article II, Section 15 was added to include a definition of “Interests”. A description of a nominating or proposing stockholder’s Interests is now required by Article II, Sections 13 and 14, as amended.
- Article III, Section 2 was amended to specify that the Board has the sole right to fill vacancies on the Board in the event of newly created directorships resulting from any increase in the authorized number of directors.
- Article III, Section 8 was amended to require the presence of at least a majority of the authorized number of directors in order for a quorum to be present for the transaction of business by the Board.

The foregoing summary is a brief description of the approved amendments to the Company’s prior Amended and Restated Bylaws and is qualified in its entirety by reference to the full text of the Amended and Restated Bylaws, a copy of which is filed herewith as Exhibit 3.2 and is incorporated herein by reference.

**Article III**  
**Purpose**

The purpose of the Corporation is to engage in any lawful act or activity for which corporations may be organized under the DGCL.

**Article IV**  
**Capitalization**

(a) Capitalization. The total number of shares of all classes that this Corporation is authorized to issue is 350,000,000 shares, of which (i) 50,000,000 shares shall be designated as preferred stock, par value \$0.01 per share (the “Preferred Stock”), and (ii) 300,000,000 shares shall be designated as common stock, par value \$0.01 per share (the “Common Stock”). Upon the filing of this Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware (the “Filing Time”), each share of common stock of the Corporation, however designated, issued and outstanding immediately prior thereto (“Old Common Stock”), shall be automatically reclassified as one validly issued, fully paid and non-assessable share of Common Stock without any further action on the part of the Corporation or by the holder thereof. Each certificate formerly representing a share or shares of Old Common Stock shall automatically represent from and after the Filing Time, without any further action on the part of the Corporation or any holder thereof, a number of shares of Common Stock equal to the number of shares of Old Common Stock represented by such certificate immediately prior to the Filing Time.

(b) Preferred Stock. Shares of Preferred Stock may be issued in one or more series from time to time by the Board, and the Board is expressly authorized to fix by resolution or resolutions the designations and the powers, preferences and rights, and the qualifications, limitations and restrictions thereof, of the shares of each series of Preferred Stock, including without limitation the following:

(i) the distinctive serial designation of such series which shall distinguish it from other series;

(ii) the number of shares included in such series;

(iii) the dividend rate (or method of determining such rate) payable to the holders of the shares of such series, any conditions upon which such dividends shall be paid and the date or dates upon which such dividends shall be payable;

(v) the amount or amounts which shall be payable out of the assets of the corporation to the holders of the shares of such series upon voluntary or involuntary liquidation, dissolution or winding up the Corporation, and the relative rights of priority, if any, of payment of the shares of such series;

(vi) the price or prices at which, the period or periods within which and the terms and conditions upon which the shares of such series may be redeemed, in whole or in part, at the option of the Corporation or at the option of the holder or holders thereof or upon the happening of a specified event or events;

### **Limitation of Liability**

A Director shall not be liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a Director, except to the extent that such exemption from liability or limitation thereof is not permitted under the DGCL as currently in effect or as the same may hereafter be amended. If the DGCL is hereafter amended to authorize corporate action further limiting or eliminating the liability of Directors to the Corporation or its stockholders, then without any further action by any individual, corporation (including not-for-profit), general or limited partnership, limited liability company, joint venture, estate, trust, association, organization, government entity or other entity of any kind or nature such liability shall be so

HARRIS STRATEX NETWORKS, INC.  
(Pursuant to Section 151 of the  
Delaware General Corporation Law)

Harris Stratex Networks, Inc., a corporation organized and existing under the General Corporation Law of the State of Delaware (hereinafter called the “Corporation”), DOES HEREBY CERTIFY that pursuant to the authority vested in the Board of Directors of the Corporation (hereinafter called the “Board of Directors” or the “Board”) by the Amended and Restated Certificate of Incorporation of the Corporation, and in accordance with the provisions of Section 151 of the General Corporation Law of the State of Delaware, the Board of Directors on April 20, 2009 adopted a resolution providing for the authorization of a series of preferred stock, as follows:

RESOLVED, that pursuant to the authority granted to and vested in the Board of Directors of the Corporation in accordance with the provisions of the Amended and Restated Certificate of Incorporation, the Board of Directors hereby creates a series of preferred stock, par value \$0.01 per share (the “Series A Junior Participating Preferred Stock”), of the Corporation and hereby states the designation and number of shares, and fixes the relative rights, preferences, and limitations thereof as follows:

Section 1. Designation and Amount. The shares of such series shall be designated as “Series A Junior Participating Preferred Stock” and the number of shares constituting the Series A Junior Participating Preferred Stock shall be 1,000,000. Such number of shares may be increased or decreased by resolution of the Board of Directors; *provided*, that no decrease shall reduce the number of shares of Series A Junior Participating Preferred Stock to a number less than the number of shares then outstanding plus the number of shares reserved for issuance upon the exercise of outstanding options, rights or warrants or upon the conversion of any outstanding securities issued by the Corporation convertible into Series A Junior Participating Preferred Stock.

Section 2. Dividends and Distributions. Subject to the rights of the holders of any shares of any series of preferred stock (or any similar stock) ranking prior and superior to the Series A Junior Participating Preferred Stock with respect to dividends, the holders of shares of Series A Junior Participating Preferred Stock, in preference to the holders of common stock, par value \$0.01 per share (the “Common Stock”), of the Corporation, and of any other junior stock, shall be entitled to receive, when, as and if declared by the Board of Directors out of funds legally available for the purpose, quarterly dividends payable in cash on the first day of March, June, September and December in each year (each such date being referred to herein as a “Quarterly Dividend Payment Date”), commencing on the first Quarterly Dividend Payment Date after the first issuance of a share or fraction of a share of Series A

---

Junior Participating Preferred Stock, in an amount per share (rounded to the nearest cent) equal to the greater of (a) \$1.00 or (b) subject to the provision for adjustment hereinafter set forth, one thousand (1,000) times the aggregate per share amount of all cash dividends, and one thousand (1,000) times the aggregate per share amount (payable in kind) of all non-cash dividends or other distributions, other than a dividend payable in shares of Common Stock or a subdivision of the outstanding shares of Common Stock (by reclassification or otherwise), declared on the Common Stock since the immediately preceding Quarterly Dividend Payment Date or, with respect to the first Quarterly Dividend Payment Date, since the first issuance of any share or fraction of a share of Series A Junior Participating Preferred Stock. In the event the Corporation shall at any time declare or pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the amount to which holders of shares of Series A Junior Participating Preferred Stock were entitled immediately prior to such event under clause (b) of the preceding sentence shall be adjusted by multiplying such amount by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

The Corporation shall declare a dividend or distribution on the Series A Junior Participating Preferred Stock as provided in the first paragraph of this section immediately after it declares a dividend or distribution on the Common Stock (other than a dividend payable in shares of Common Stock); provided that, in the event no dividend or distribution shall have been declared on the Common Stock during the period between any Quarterly Dividend Payment Date and the next subsequent Quarterly Dividend Payment Date, a dividend of \$1.00 per share on the Series A Junior Participating Preferred Stock shall nevertheless be payable on such subsequent Quarterly Dividend Payment Date.

Dividends shall begin to accrue and be cumulative on outstanding shares of Series A Junior Participating Preferred Stock from the Quarterly Dividend Payment Date next preceding the date of issue of such shares, unless the date of issue of such shares is prior to the record date for the first Quarterly Dividend Payment Date, in which case dividends on such shares shall begin to accrue from the date of issue of such shares, or unless the date of issue is a Quarterly Dividend Payment Date or is a date after the record date for the determination of holders of shares of Series A Junior Participating Preferred Stock entitled to receive a quarterly dividend and before such Quarterly Dividend Payment Date, in either of which events such dividends shall begin to accrue and be cumulative from such Quarterly Dividend Payment Date. Accrued but unpaid dividends shall not bear interest. Dividends paid on the shares of Series A Junior Participating Preferred Stock in an amount less than the total amount of such dividends at the time accrued and payable on such shares shall be allocated pro rata on a share-by-share basis among all such shares at the time outstanding. The Board of Directors may fix a record date for the determination of holders of shares of Series A Junior Participating Preferred Stock entitled to receive payment of a dividend or distribution declared thereon, which record date shall be not more than 60 days prior to the date fixed for the payment thereof.

Section 3. Voting Rights. The holders of shares of Series A Junior Participating Preferred Stock shall have the following voting rights:

Subject to the provision for adjustment hereinafter set forth, each share of Series A Junior Participating Preferred Stock shall entitle the holder thereof to one thousand votes on all matters submitted to a vote of the stockholders of the Corporation. In the event the Corporation shall at any time declare or pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or

---

lesser number of shares of Common Stock, then in each such case the number of votes per share to which holders of shares of Series A Junior Participating Preferred Stock were entitled immediately prior to such event shall be adjusted by multiplying such number by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

Except as otherwise provided herein, in any other Certificate of Designations creating a series of preferred stock or any similar stock, or by law, the holders of shares of Series A Junior Participating Preferred Stock and the holders of shares of Common Stock and any other capital stock of the Corporation having general voting rights shall vote together as one class on all matters submitted to a vote of stockholders of the Corporation.

Except as set forth herein, or as otherwise provided by law, holders of Series A Junior Participating Preferred Stock shall have no special voting rights and their consent shall not be required (except to the extent they are entitled to vote with holders of Common Stock as set forth herein) for taking any corporate action.

Section 4. Certain Restrictions. Whenever quarterly dividends or other dividends or distributions payable on the Series A Junior Participating Preferred Stock as provided in Section 2 are in arrears, thereafter and until all accrued and unpaid dividends and distributions, whether or not declared, on shares of Series A Junior Participating Preferred Stock outstanding shall have been paid in full, the Corporation shall not:

(i) declare or pay dividends, or make any other distributions, on any shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series A Junior Participating Preferred Stock;

(ii) declare or pay dividends, or make any other distributions, on any shares of stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series A Junior Participating Preferred Stock, except dividends paid ratably on the Series A Junior Participating Preferred Stock and all such parity stock on which dividends are payable or in arrears in proportion to the total amounts to which the holders of all such shares are then entitled;

(iii) redeem or purchase or otherwise acquire for consideration shares of any stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series A Junior Participating Preferred Stock, provided that the Corporation may at any time redeem, purchase or otherwise acquire shares of any such junior stock in exchange for shares of any stock of the Corporation ranking junior (as to dividends and upon dissolution, liquidation and winding up) to the Series A Junior Participating Preferred Stock; or

(iv) redeem or purchase or otherwise acquire for consideration any shares of Series A Junior Participating Preferred Stock, or any shares of stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series A Junior Participating Preferred Stock, except in accordance with a purchase offer made in writing or by publication (as determined by the Board of Directors) to all holders of such shares upon such terms as the Board of Directors, after consideration of the respective annual dividend rates and other relative rights and preferences of the respective series and classes, shall determine in good faith will result in fair and equitable treatment among the respective series or classes.

The Corporation shall not permit any subsidiary of the Corporation to purchase or otherwise acquire for consideration any shares of stock of the Company unless the Corporation could, under this Section 4, purchase or otherwise acquire such shares at such time and in such manner.

---

Section 5. Reacquired Shares. Any shares of Series A Junior Participating Preferred Stock purchased or otherwise acquired by the Company in any manner whatsoever shall be retired and cancelled promptly after the acquisition thereof. All such shares shall upon their cancellation become authorized but unissued shares of preferred stock and may be reissued as part of a new series of preferred stock subject to the conditions and restrictions on issuance set forth herein, in the Amended and Restated Certificate of Incorporation, or in any other Certificate of Designations creating a series of preferred stock or any similar stock or as otherwise required by law.

Section 6. Liquidation, Dissolution or Winding Up. Upon any liquidation, dissolution or winding up of the Corporation, no distribution shall be made (1) to the holders of shares of stock ranking junior (either as to dividends or upon liquidation, dissolution or winding up) to the Series A Junior Participating Preferred Stock unless, prior thereto, the holders of shares of Series A Junior Participating Preferred Stock shall have received \$1,000.00 per share, plus an amount equal to accrued and unpaid dividends and distributions thereon, whether or not declared, to the date of such payment, provided that the holders of shares of Series A Junior Participating Preferred Stock shall be entitled to receive an aggregate amount per share, subject to the provision for adjustment hereinafter set forth, equal to one thousand (1,000) times the aggregate amount to be distributed per share to holders of shares of Common Stock, or (2) to the holders of shares of stock ranking on a parity (either as to dividends or upon liquidation, dissolution or winding up) with the Series A Junior Participating Preferred Stock, except distributions made ratably on the Series A Junior Participating Preferred Stock and all such parity stock in proportion to the total amounts to which the holders of all such shares are entitled upon such liquidation, dissolution or winding up. In the event the Corporation shall at any time declare or pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the aggregate amount to which holders of shares of Series A Junior Participating Preferred Stock were entitled immediately prior to such event under the proviso in clause (1) of the preceding sentence shall be adjusted by multiplying such amount by a fraction the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

Section 7. Consolidation, Merger, etc. In case the Corporation shall enter into any consolidation, merger, combination or other transaction in which the shares of Common Stock are exchanged for or changed into other stock or securities, cash and/or any other property, then in any such case each share of Series A Junior Participating Preferred Stock shall at the same time be similarly exchanged or changed into an amount per share, subject to the provision for adjustment hereinafter set forth, equal to 1,000 times the aggregate amount of stock, securities, cash and/or any other property (payable in kind), as the case may be, into which or for which each share of Common Stock is changed or exchanged. In the event the Corporation shall at any time declare or pay any dividend on the Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise than by payment of a dividend in shares of Common Stock) into a greater or lesser number of shares of Common Stock, then in each such case the amount set forth in the preceding sentence with respect to the exchange or change of shares of Series A Junior Participating Preferred Stock shall be adjusted by multiplying such amount by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

Section 8. No Redemption. The shares of Series A Junior Participating Preferred Stock shall not be redeemable.

---

Section 9. Rank. The Series A Junior Participating Preferred Stock shall rank, with respect to the payment of dividends and the distribution of assets, junior to all series of any other class of the Corporation's preferred stock.

Section 10. Amendment. The Amended and Restated Certificate of Incorporation of the Corporation shall not be amended in any manner which would materially alter or change the powers, preferences or special rights of the Series A Junior Participating Preferred Stock so as to affect them adversely without the affirmative vote of the holders of at least a majority of the outstanding shares of Series A Junior Participating Preferred Stock, voting together as a single class.

Section 3. Written notice of the annual meeting stating the place, date and hour of the meeting shall be given to each stockholder entitled to vote at such meeting not less than ten (10) nor more than sixty (60) days before the date of the meeting.

Section 4. The officer who has charge of the stock ledger of the corporation shall prepare and make, at least ten (10) days before every meeting of stockholders, (i) on a reasonably accessible electronic network, provided that the information required to gain access to such list is provided with the notice of the meeting, or (ii) during ordinary business hours, at the principal place of business of the Corporation a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder provided however that the Corporation shall not be required to include electronic mail addresses or other electronic contact information on such list. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten (10)

days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder who is present.

Section 5. Special meetings of stockholders shall be called by the president or secretary at the request in writing of a majority of the Board of Directors. Such request of the Board of Directors shall state the purpose or purposes of the proposed special meeting. The place, date and time of any special meeting shall be determined by the Board of Directors. Such determination shall include the record date for determining the stockholders having the right to notice of and to vote at such meeting.

Section 6. Written notice of a special meeting stating the place, date and hour of the meeting and the purpose or purposes for which the meeting is called, shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting, to each stockholder entitled to vote at such meeting.

Section 7. Only such business shall be conducted at a special meeting as shall have been stated in the written notice of the meeting as the purpose or purposes for the meeting.

Section 8. The holders of capital stock entitled to cast a majority of the voting power of all the capital stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum at all meetings of the stockholders for the transaction of business except as otherwise provided by statute or by the certificate of incorporation. At any meeting of the stockholders, whether or not a quorum is present in person or represented by proxy, the chairman of the meeting shall have the power to adjourn the meeting from time to time, without notice, except as otherwise provided by law, other than announcement at the meeting. At such adjourned meeting any business may be transacted which might have been transacted at the meeting as originally notified. If the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.

Section 9. In all matters other than the election of directors, the affirmative vote by the holders of capital stock entitled to cast a majority of the voting power of all the capital stock present in person or represented by proxy at any meeting and entitled to vote on the subject matter shall be the act of the stockholders, unless the question is one upon which, by express provision of any statute or of the certificate of incorporation, a different vote is required, in which case such express provision shall govern and control the decision of such question.

Section 10. Unless otherwise provided in the certificate of incorporation, each stockholder shall at every meeting of the stockholders be entitled to one vote in person or by proxy for each share of the capital stock having voting power held by such stockholder, but no proxy shall be voted on after three years from its date, unless the proxy provides for a longer period.

Section 11. Unless otherwise provided in the certificate of incorporation, and subject to the provisions of Article II, Section 12 of these amended and restated bylaws (these “Bylaws”), any action required to be taken at any annual or special meeting of stockholders of the corporation, or any action which may be taken at any annual or special meeting of such stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent in writing setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing.

Section 12. In order that the corporation may determine the stockholders entitled to consent to corporate action in writing without a meeting pursuant to Article II, Section 11 of these Bylaws, the Board of Directors may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board of Directors, and which record date shall not be more than ten (10) days after the date upon which the resolution fixing the record date is adopted by the Board of Directors. Any stockholder of record seeking to have the stockholders authorize or take corporate action by written consent shall, by written notice to the secretary, request the Board of Directors to fix a record date. The Board of Directors shall promptly, but in all events within ten (10) days after the date on which such a request is received, adopt a resolution fixing the record date. If no record date has been fixed by the Board of Directors within such ten (10) day period, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting, when no prior action by the Board of Directors is required by applicable law, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the corporation by delivery to its registered office in the State of Delaware, its principal place of business, or an officer or agent of the corporation having custody of the book in which proceedings of stockholders’ meetings are recorded, to the attention of the secretary of the corporation. Delivery shall be by hand or by certified or registered mail, return receipt requested. If no record date has been fixed by the Board of Directors and prior action by the Board of Directors is required by applicable law, the record date for determining stockholders entitled to consent to corporate action in writing without a meeting shall be at the close of business on the date on which the Board of Directors adopts the resolution taking such prior action.

Section 13. At any annual meeting of the stockholders, only such business shall be conducted as shall be properly before the meeting. To be properly before an annual meeting, business must be (a) specified in the notice of meeting (or any supplement thereto) given by or at the direction of the Board of Directors, (b) otherwise properly brought before the meeting by or at the direction of the Board of Directors, or (c) otherwise properly brought before the meeting by a record stockholder. For business to be properly brought before an annual meeting by a record stockholder, the stockholder must have given timely notice thereof in writing to the secretary. To be timely, the stockholder’s notice must be delivered to or mailed and received at the principal place of business of the corporation not fewer than sixty (60) days nor more than ninety (90) days prior to the meeting; *provided, however*, that in the event that less than seventy (70) days’ notice or prior public disclosure of the date of the meeting is given or made to stockholders, notice by the stockholder to be timely must be received not later than the close of

business on the tenth day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made. The stockholder's written notice to the secretary shall set forth as to each matter the stockholder proposes to bring before the annual meeting (a) a description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting, (b) the name and address as they appear on the corporation's books of the stockholder proposing such business, (c) as of the date of such stockholder's notice, separate descriptions in reasonable detail of each of the stockholder's Interests (as defined in Article II, Section 15), (d) a covenant that such stockholder shall supplement and deliver to the corporation updated information regarding its Interests promptly, and in any event no later than ten (10) days, following the later of the record date or the date notice of the record date is first publicly disclosed, (e) a representation that such stockholder is a holder of record of shares of the corporation entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to propose such business, (f) a representation as to whether such stockholder intends to deliver a proxy statement and/or form of proxy to any stockholders and/or otherwise to solicit proxies from any stockholders in support of the proposal, and (g) any other information relating to such stockholder and such stockholder's Interests that is required to be disclosed in solicitations of proxies required pursuant to Regulation 14A under the Securities and Exchange Act of 1934, as amended (the "Exchange Act"). Notwithstanding anything in these Bylaws to the contrary, no business shall be conducted at any annual meeting unless properly brought before such meeting in accordance with the procedures set forth in this Section 13. The requirements of this Section 13 shall apply to any business to be brought before an annual meeting by a stockholder (other than the nomination of a person for election as a director, which is governed by Article II, Section 14) whether such business is to be included in the corporation's proxy statement pursuant to Rule 14a-8 under the Exchange Act or presented to stockholders by means of an independently financed proxy solicitation or otherwise. The chairman of the meeting shall, if the facts warrant, determine and declare to the meeting that business was not properly brought before the meeting in accordance with the provisions of this Section 13 and if it shall be so determined, the chairman of the meeting shall so declare this to the meeting and such business not properly brought before the meeting shall not be transacted.

Section 14. Only persons who are nominated in accordance with the procedures set forth in this Section 14 shall be eligible for election by the stockholders as a director. Nominations of persons for election as a director may be made at a meeting of stockholders by or at the direction of the directors or by any record stockholder of the corporation entitled to vote for the election of directors at the meeting who complies with the notice procedures set forth in this Section 14. Such nominations, other than those made by or at the direction of the directors, shall be made pursuant to timely notice in writing to the secretary. To be timely, the stockholder's notice shall be delivered to or mailed and received at the principal place of business of the corporation not fewer than sixty (60) nor more than ninety (90) days prior to the meeting; *provided, however*, that in the event that less than seventy (70) days' notice or prior public disclosure of the date of the meeting is given or made to stockholders, notice by the stockholder to be timely must be so received not less than the close of business on the tenth day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made. Such stockholder's notice shall set forth (a) as to each person whom the stockholder proposes to nominate for election or re-election as a director (i) the name, age, business address and residence address of such person, (ii) the principal occupation or employment of such person, (iii) as of the date of such stockholder's notice, separate descriptions in reasonable detail of each

of each nominee's Interests (as defined in Article II, Section 15), (iv) a covenant that such stockholder shall supplement and deliver to the corporation updated information regarding each nominee's Interests promptly, and in any event no later than ten (10) days, following the later of the record date or the date notice of the record date is first publicly disclosed and (v) any other information relating to each nominee and each nominee's Interests that is required to be disclosed in solicitations of proxies for election of directors or is otherwise required in each case pursuant to Regulation 14A under the Exchange Act (including without limitation such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected); and (b) as to the stockholder giving the notice (i) the name and address, as they appear on the corporation's books of such stockholder, (ii) as of the date of such stockholder's notice, separate descriptions in reasonable detail of each of the stockholder's Interests (as defined in Article II, Section 15 of these Bylaws), (iii) a covenant that such stockholder will update and deliver to the corporation information regarding its Interests promptly, and in any event no later than ten (10) days, following the later of the record date or the date notice of the record date is first publicly disclosed, (iv) a representation that such stockholder is a holder of record of shares of the corporation entitled to vote at the meeting, (v) a representation as to whether such stockholder intends to deliver a proxy statement and/or form of proxy to any stockholders and/or otherwise to solicit proxies from any stockholders in support of any nominee's election and (vi) any other information relating to such stockholder and such stockholder's Interests that is required to be disclosed in solicitations of proxies required pursuant to Regulation 14A under the Exchange Act. At the request of the Board of Directors any person nominated by the Board of Directors for election as a director shall furnish to the secretary that information required to be set forth in a stockholder's notice of nomination which pertains to the nominee. No person shall be eligible for election as a director unless nominated in accordance with the procedures set forth in this Section 14. The chairman of the meeting shall, if the facts warrant, determine and declare to the meeting that a nomination was not made in accordance with the provisions of this Section 14 and if it shall be so determined, the chairman shall so declare this to the meeting and the defective nomination shall be disregarded.

Section 15. As used in these Bylaws, "Interests" shall mean, with respect to any stockholder or nominee (a "Person"), (a) shares of the corporation (by class and number) held of record by such Person, (b) shares (by class and number) of the corporation beneficially owned by such Person, (c) any agreement, arrangement or understanding (including any derivative, including any cash-settled derivative, or short position, profit interest, option, hedging transaction and borrowed or loaned shares) entered into by or on behalf of such Person or any of its affiliates or associates or owned or beneficially owned by such Person, the effect or intent of which is to mitigate loss to, manage risk or benefit of share price changes for, or increase or decrease the voting power of such Person or any of its affiliates or associates with respect to shares of the corporation or any other economic interests, and (d) with respect to any business a stockholder proposes to be brought before the annual meeting or any nominee that a stockholder proposes to nominate for election as a director, (i) any material interest of the stockholder in such business or any relationship of the stockholder with the nominee, as the case may be, and (ii) any agreement, arrangement or understanding with respect to such business or nominee, as the case may be, between or among the stockholder and any of its affiliates or associates, and any person acting in concert with any of the foregoing (including, in each case, their names). As used in this Section 15, beneficial ownership shall be determined in accordance with Rule 13d-3 and Rule 13d-5 under the Exchange Act.

## ARTICLE III

### DIRECTORS

Section 1. Subject to any requirements in the certificate of incorporation, the number of directors that shall constitute the whole Board of Directors shall be fixed by resolution of the Board of Directors but in no event shall be less than six (6). The directors shall be elected at the annual meeting of the stockholders, except as provided in Section 2 of this Article, and each director elected shall hold office until his or her successor is elected and qualified. Directors need not be stockholders, but shall not be older than 75 years of age on the date of their election or appointment to be eligible to serve as a director unless otherwise specifically approved by resolution passed by the directors then in office or by the sole remaining director.

Section 2. Except as otherwise provided in the certificate of incorporation, vacancies and newly created directorships resulting from any increase in the authorized number of directors may be filled solely by a majority of the directors then in office, though less than a quorum, or by a sole remaining director, and the directors so chosen shall hold office until the next annual election and until their successors are duly elected and qualified, unless sooner removed. If there are no directors in office, then an election of directors may be held in the manner provided by statute. If, at the time of filling any vacancy or any newly created directorship, the directors then in office shall constitute less than a majority of the whole Board of Directors (as constituted immediately prior to any such increase), the Court of Chancery may, upon application of any stockholder or stockholders holding at least ten percent (10%) of the total voting power of all the outstanding capital stock entitled to vote generally in the election of such directors, summarily order an election to be held to fill any such vacancies or newly created directorships, or to replace the directors chosen by the directors then in office.

Section 3. The business of the corporation shall be managed by or under the direction of its Board of Directors which may exercise all such powers of the corporation and do all such lawful acts and things as are not by statute or by the certificate of incorporation or by these Bylaws directed or required to be exercised or done by the stockholders.

Section 4. The Board of Directors of the corporation may hold meetings, both regular and special, either within or without the State of Delaware.

Section 5. The first meeting of each newly elected Board of Directors shall be held at such time and place as shall be fixed by the vote of the stockholders at the annual meeting and no notice of such meeting shall be necessary to the newly elected directors in order legally to constitute the meeting, provided a quorum shall be present. In the event of the failure of the stockholders to fix the time or place of such first meeting of the newly elected Board of Directors, or in the event such meeting is not held at the time and place so fixed by the stockholders, the meeting may be held at such time and place as shall be specified in a notice given as hereinafter provided for special meetings of the Board of Directors, or as shall be specified in a written waiver signed by all of the directors.

Section 6. Regular meetings of the Board of Directors may be held without notice at such time and at such place as shall from time to time be determined by the Board of Directors.

Section 7. Special meetings of the Board of Directors may be called by the Chairman of the Board of Directors, the president, the secretary, any officer appointed by the Board of Directors or any two (2) directors on four (4) days' notice to each director by mail or two (2) days' notice to each director either personally or by telephone or electronic communication (*e.g.*, electronic mail or similar means of communication).

Section 8. Subject to any requirements in the certificate of incorporation, at all meetings of the Board of Directors, a majority of the authorized number of directors shall constitute a quorum for the transaction of business and the act of a majority of the directors present at any meeting at which there is a quorum shall be the act of the Board of Directors, except as may be otherwise specifically provided by statute, by the certificate of incorporation or by Article III, Section 9 of these Bylaws. If a quorum shall not be present at any meeting of the Board of Directors, the directors present thereat may adjourn the meeting from time to time without notice other than announcement at the meeting, until a quorum shall be present.

Section 9. Unless otherwise restricted by the certificate of incorporation or these Bylaws, any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting if all members of the Board of Directors or committee thereof, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board of Directors or committee thereof.

Section 10. Unless otherwise restricted by the certificate of incorporation or these Bylaws, members of the Board of Directors or any committee designated by the Board of Directors, may participate in a meeting of the Board of Directors, or any committee thereof, by means of conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and such participation in a meeting shall constitute presence in person at the meeting.

Section 11. The Board of Directors may, by resolution passed by a majority of the whole Board of Directors, designate one or more committees, each committee to consist of one or more of the directors of the corporation. The Board of Directors may designate one or more directors as alternate members of any committee who may replace any absent or disqualified member at any meeting of the committee.

In the absence or disqualification of a member of a committee, the member or members thereof present at any meeting and not disqualified from voting, whether or not he or they constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in the place of any such absent or disqualified member.

Any such committee, to the extent provided in the resolution of the Board of Directors, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the corporation, and may authorize the seal of the corporation to be affixed to all papers which may require it, but no such committee shall have the power or authority in reference to amending the certificate of incorporation, adopting an agreement of merger or consolidation, recommending to the stockholders the sale, lease or exchange of all or substantially all of the corporation's property and assets, recommending to the stockholders a dissolution of the corporation or a revocation of a dissolution, or amending the

Bylaws of the corporation, and, unless the resolution or the certificate of incorporation expressly so provide, no such committee shall have the power or authority to declare a dividend or to authorize the issuance of stock. Such committee or committees shall have such name or names as may be determined from time to time by resolution adopted by the Board of Directors.

Section 12. Each committee shall keep regular minutes of its meetings and report the same to the Board of Directors when required.

Section 13. Unless otherwise restricted by the certificate of incorporation or these Bylaws, the Board of Directors shall have the authority to fix the compensation of directors. The directors may be paid their expenses, if any, of attendance at each meeting of the Board of Directors and may be paid a fixed sum for attendance at each meeting of the Board of Directors or a stated salary as director. No such payment shall preclude any director from serving the corporation in any other capacity and receiving compensation therefor. Members of special or standing committees may be allowed like compensation for attending committee meetings.

Section 14. Unless otherwise provided in the certificate of incorporation or these Bylaws, any director or the entire Board of Directors may be removed, with or without cause, by the holders of a majority of shares entitled to vote at an election of directors.

## ARTICLE IV

### NOTICES

Section 1. Whenever, under the provisions of statutes or of the certificate of incorporation or of these Bylaws, notice is required to be given to any director or stockholder, it shall not be construed to mean personal notice, but such notice may be given in writing, by mail, addressed to such director or stockholder, at his address as it appears on the records of the corporation, with postage thereon prepaid, and such notice shall be deemed to be given at the time when the same shall be deposited in the United States mail. Notice to directors may also be given by telephone or electronic communication (*e.g.*, electronic mail or similar means of communication).

Section 2. The secretary shall have custody of the corporate seal of the

corporation, and the secretary or an assistant secretary shall have authority to affix the same to any instrument requiring it and when so affixed, it may be attested by his signature or by the signature of such assistant secretary. The Board of Directors may give general authority to any other officer to affix the seal of the corporation and to attest the affixing by his signature.

Section 12. The assistant secretary, or if there be more than one, the assistant secretaries in the order determined by the Board of Directors (or if there be no such determination, then in the order of their election) shall, in the absence of the secretary or in the event of his or her inability or refusal to act, perform the duties and exercise the powers of the secretary and shall perform such other duties and have such other powers as the Board of Directors may from time to time prescribe.

Section 13. The chief financial officer may also be designated by the alternate title of "treasurer." The chief financial officer shall have the custody of the corporate funds and securities and shall keep full and accurate accounts of receipts and disbursements in books belonging to the corporation and shall deposit all moneys and other valuable effects in the name and to the credit of the corporation in such depositories as may be designated by the Board of Directors.

Section 14. Section 15. If required by the Board of Directors, the chief financial officer shall give the corporation a bond (which shall be renewed every six years) in such sum and with such surety or sureties as shall be satisfactory to the Board of Directors for the faithful performance of the duties of his office and for the restoration to the corporation, in case of his death, resignation, retirement or removal from office, of all books, papers, vouchers, money and other property of whatever kind in his possession or under his control belonging to the corporation.

Section 16. ## ARTICLE VI

### STOCK

Section 1. The shares of the corporation shall be represented by certificates, provided however that some or all of any or all classes or series of its stock may be uncertificated shares. However, every holder of stock in the corporation shall be entitled to have a certificate, signed by, or in the name of the corporation by, the Chairman or Vice Chairman of the Board of

Directors, or the president or the chief financial officer and the treasurer or an assistant treasurer, or the secretary or an assistant secretary of the corporation, certifying the number of shares owned by the stockholder in the corporation.

Certificates may be issued for partly paid shares and in such case upon the face or back of the certificates issued to represent any such partly paid shares, the total amount of the consideration to be paid therefor, and the amount paid thereon shall be specified.

If the corporation shall be authorized to issue more than one class of stock or more than one series of any class, the powers, designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualification, limitations or restrictions of such preferences and/or rights shall be set forth in full or summarized on the face or back of the certificate which the corporation shall issue to represent such class or series of stock, provided that, except as otherwise provided in Section 202 of the General Corporation Law of Delaware, in lieu of the foregoing requirements, there may be set forth on the face or back of the certificate which the corporation shall issue to represent such class or series of stock, a statement that the corporation will furnish without charge to each stockholder who so requests the powers, designations, preferences and relative, participating, optional or other special rights of each class of stock or series thereof and the qualifications, limitations or restrictions of such preferences and/or rights.

Section 2. Any or all of the signatures on the certificate may be facsimile. In case any officer, transfer agent or registrar who has signed or whose facsimile signature has been placed upon a certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, it may be issued by the corporation with the same effect as if he were such officer, transfer agent or registrar at the date of issue.

Section 3. The Board of Directors may direct a new certificate or certificates to be issued in place of any certificate or certificates theretofore issued by the corporation alleged to have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming the certificate of stock to be lost, stolen or destroyed. When authorizing such issue of a new certificate or certificates, the Board of Directors may, in its discretion and as a condition precedent to the issuance thereof, require the owner of such lost, stolen or destroyed certificate or certificates, or his legal representative, to advertise the same in such manner as it shall require and/or to give the corporation a bond in such sum as it may direct as indemnity against any claim that may be made against the corporation with respect to the certificate alleged to have been lost, stolen or destroyed.

Section 4. Upon surrender to the corporation or the transfer agent of the corporation of a certificate for shares duly endorsed or accompanied by proper evidence of succession, assignation or authority to transfer, it shall be the duty of the corporation to issue a new certificate to the person entitled thereto, cancel the old certificate and record the transaction upon its books.

Section 5. In order that the corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise

any rights in respect of any change, conversion or exchange of stock or for the purpose of any other lawful action, the Board of Directors may fix, in advance, a record date, which shall not be more than sixty (60) nor less than ten (10) days before the date of such meeting, nor more than sixty (60) days prior to any other action. A determination of stockholders of record entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board of Directors may fix a new record date for the adjourned meeting.

Section 6. The corporation shall be entitled to recognize the exclusive right of a person registered on its books as the owner of shares to receive dividends, and to vote as such owner, and to hold liable for calls and assessments a person registered on its books as the owner of shares, and shall not be bound to recognize any equitable or other claim to or interest in such share or shares on the part of any other person, whether or not it shall have express or other notice thereof, except as otherwise provided by the laws of Delaware.

## ARTICLE VII

Section 4. The fiscal year of the corporation shall be fixed by resolution of the Board of Directors.

Section 5. The Board of Directors may adopt a corporate seal having inscribed thereon the name of the corporation, the year of its organization and the words "Corporate Seal, Delaware". The seal may be used by causing it or a facsimile thereof to be impressed or affixed or reproduced or otherwise.

Section 6. Each person who was or is made a party to or witness or other participant in or is threatened to be made a party to or witness or other participant in or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative, investigative or other (hereinafter a "proceeding"), by reason of the fact that he or she, or a person for whom he or she is the legal representative, is or was a director or officer of the corporation or is or was serving at

the request of the corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise (hereinafter a “designee”), whether the basis of the proceeding is alleged action in an official capacity as a director, officer or designee or in any other capacity while serving as a director, officer or designee, shall be indemnified and held harmless by the corporation to the fullest extent permitted by the General Corporation Law of Delaware, as the same exists or may hereafter be amended, against all expenses (including attorneys’ fees), judgments, fines, penalties, amounts paid in settlement, liability and loss (including, without limitation, all interest, assessments and other charges paid or payable in connection with or in respect of any of the foregoing) (hereinafter collectively “expenses”, which expenses shall also include without limitation any expenses of establishing a right to indemnification or advancement under this Section 6 or Article VII, Section 7 or 8) reasonably incurred or suffered by such director, officer or designee in connection therewith; *provided, however*, that, except as provided in Article VII, Section 8, the corporation shall indemnify any such director, officer or designee seeking indemnification in connection with a proceeding (or part thereof) initiated by such director, officer or designee only if such proceeding (or part thereof) was authorized by the Board of Directors of the corporation. The corporation may, by action of the Board of Directors, provide indemnification to employees and agents of the corporation with the same scope and effect as the foregoing indemnification of directors, officers and designees.

Section 7. Expenses incurred by or on behalf of any person in defending any proceeding by reason of the fact that such person is or was a director, officer or designee of the corporation shall be advanced by the corporation prior to the final disposition of such proceeding; *provided, however*, that if the General Corporation Law of Delaware requires, the payment of such expenses incurred by a director, officer or designee in his or her capacity as a director, officer or designee (and not in any other capacity in which service was or is rendered by such person while a director, officer or designee, including, without limitation, service to an employee benefit plan) in advance of the final disposition of a proceeding shall be made only upon delivery to the corporation of an undertaking by or on behalf of such director, officer or designee to repay all amounts so advanced if it shall ultimately be determined that such director, officer or designee is not entitled to be indemnified under Article VII, Section 6 or this Section 7 or otherwise.

Section 8. If a claim under either Article VII, Section 6 or 7 is not paid in full by the corporation within 30 days after a written claim has been received by the corporation, the claimant may at any time thereafter bring suit against the corporation to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking, if any is required, has been tendered to the corporation) that the claimant has not met the standards of conduct which make it permissible under the General Corporation Law of Delaware for the corporation to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the corporation. Neither the failure of the corporation (including the Board of Directors, independent legal counsel or the stockholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the General Corporation Law of Delaware, nor an actual determination by the corporation (including the Board of

Directors, independent legal counsel or the stockholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

Section 9. Article VII, Sections 6 and 7 shall be deemed to be a contract between the corporation and each director who serves in such capacity at any time while this Bylaw is in effect, and any repeal or modification thereof shall not affect any rights or obligations then existing with respect to any state of facts then or theretofore existing or any action, suit or proceeding theretofore or thereafter brought based in whole or in part upon any such state of facts.

Section 10. The foregoing rights of indemnification shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in an official capacity and as to action in another capacity while holding such office, to the extent such additional rights to indemnification are authorized in the certificate of incorporation. Persons seeking indemnification or advancement may seek either or both at his or her discretion and the pursuit of one shall neither be deemed a waiver of such person's rights to pursue the other, nor shall it have any effect on the outcome of such person's pursuit of the other. Nothing contained in Article VII, Section 6, 7, 8 or 9 or this Section 10 shall affect any right to indemnification to which persons other than directors, officers or designees may be entitled by contract or otherwise. Nothing in this section shall restrict the power of the corporation to indemnify its directors, officers, designees, employees or agents under any provision of the General Corporation Law of Delaware, as amended from time to time, or under any other provision of law from time to time applicable to the corporation, nor shall anything in Article VII, Section 6, 7, 8 or 9 or this Section 10 authorize the corporation to indemnify its directors, officers, designees, employees or agents in situations prohibited by the General Corporation Law of Delaware or other applicable law.

## ARTICLE VIII AMENDMENTS

Section 1. These Bylaws may be altered, amended or repealed or new Bylaws may be adopted by the stockholders or by the Board of Directors, when such power is conferred upon the Board of Directors by the certificate of incorporation, at any regular meeting of the stockholders or of the Board of Directors or at any special meeting of the stockholders or of the Board of Directors if notice of such alteration, amendment, repeal or adoption of new Bylaws be contained in the notice of such special meeting. If the power to adopt, amend or repeal Bylaws is conferred upon the Board of Directors by the certificate of incorporation, it shall not divest or limit the power of the stockholders to adopt, amend or repeal Bylaws.

Section 2. Notwithstanding any other provision in these Bylaws, Sections 5, 12, 13, and 14 of Article II of these Bylaws and this Section 2 shall not be amended, modified or repealed, directly or indirectly except by (i) the affirmative vote of two-thirds (2/3) or more of the Continuing Directors (as defined below) and the approval of the stockholders otherwise required by applicable law or these Bylaws for such amendment; or (ii) the affirmative vote of the holders

of capital stock entitled to cast a majority of all the votes entitled to be cast by the holders of all the capital stock entitled to vote generally in the election of directors. “Continuing Director” shall mean any person then serving as a director of this corporation (i) who was a member of the Board of Directors of this corporation on January 26, 2007, or (ii) who becomes a director after January 26, 2007 and whose election, or nomination for election by this corporation’s stockholders, was approved by a majority of the directors who at that time are Continuing Directors, either by a specific vote or by approval of the proxy statement issued by this corporation on behalf of the Board of Directors in which such person is named as nominee for director.
